I do believe it's true . . .

upside down, baby I know,
You'd always be around . . .

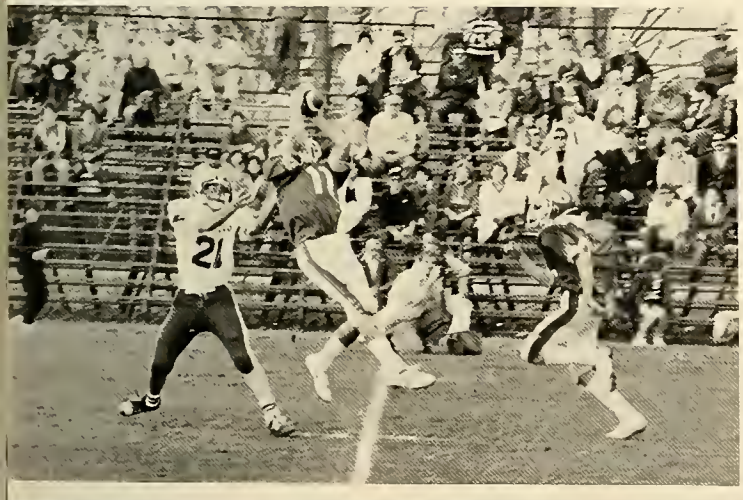
Though the SHS football team did not win many games, valuable experience was gained by a predominantly sophomore and junior squad. First year head coach, Jeff Theodoss did his best, yet a lack of size and speed caused the Pioneers to go 1-7-1. The fourth quarter was a factor in the outcome of many games due to fatigue of players who were forced to play the entire game. For their outstanding seasons, Vince Marino and Timmy Bachand were selected to the Border Conference All-Star team. Marino was also selected to the Central Mass. All-Star team as a defensive back.



Field Hockey

The Pioneerettes had the potential to be a Conference champion and District finalist team, yet poor early season play and late season injuries to key players hurt them Tri-captain Tina Young commented, "By the end of the season we had gelled as a team and began to play like a championship team." The team did play well enough to qualify for districts. Led by tri-captains Michelle Poldevaart, Tina Young and Michelle Pytko, SHS finished the season with a 8-4-2 record. For their fine efforts Darlene Lamprey, Linda Kantorski, Tina Young, and Michelle Pytko were selected to the Border Conference All-Star team.

The SHS soccer team, led by captains Don LeBlanc and Brian Cournoyer, finished the year with a 4-9-2 record. "It was a typical year," remarked Coach Gosk. "We started out poorly yet finished strongly. We had the talent to be a .500 ball club, but inconsistency plagued us." One highlight of the season featured a tie with Auburn High. The Border Conference selected Don LeBlanc as an All-Star.

The SHS Cross Country team was composed of freshmen and sophomores. Captain Ron Chernisky was the only runner back from last year and placed in the top five in each meet. Coach Leduc considered this year valuable since experience was gained by this young team. The season's record was 1-12.

It started out as another banner year for the team as they were undefeated after 10 games. Included in those wins were two powerful wins over Oakmont and Quaboag to win the Becker Christmas tournament. Melissa Rapo was chosen as MVP of the Championship Game. Also, during that winning streak, Darlene Lamprey notched her 1,000 points vs. Shrewsbury. But the Pioneerettes were weakened due to a knee injury to Capt. Michele Pytko. The Pioneerettes went on to finish with a 16 & 3 record and qualified for Districts.

Coach Peter Hapgood's J.V. team once again proved that they were the class of the Border Conference as they won their third consecutive B.C. Championship. Highlights of the season are the two powerful victories over a confident Auburn team, and a late season victory over Tantasqua, avenging an early season loss. Although there was a lack of experience, the J.V.'s finished with a 15 & 2 record, showing potential for success in upcoming years.

Boys Basketball

1985-6 proved to be one of the most surprising years in boys basketball history. The team featured six sophomores — two, Chris Gosk and Jose Sanchez, who started. Though they lacked a lot of real talent, this hard-working group stayed together with the fine leadership of Capt. Donny LeBlanc and they captured a share of the Border Conference crown, qualifying them for Districts.

Spring '85

Coach Theodoss' Girls Varsity Basketball Team followed up their outstanding season (16-2), Border Conference Co-Championship (11-1) with a well-deserved trip to the Districts. After drawing a first round bye, they defeated Nashoba (45-40) in the quarter-finals and Hudson (61-43) in the semi-finals. They finally lost a squeaker to Oakmont (42-47) in the finals played at the Centrum. Their final overall record was a sparkling 18 and 3 and the mainstays of the team will return next year.

Congratulations to Boys Varsity Basketball Coach Walter Gosk who won his 100th career victory during the season. The milestone occurred in the Quaboag game played at Warren.

WINTER SPORTS WRAPUP . . .

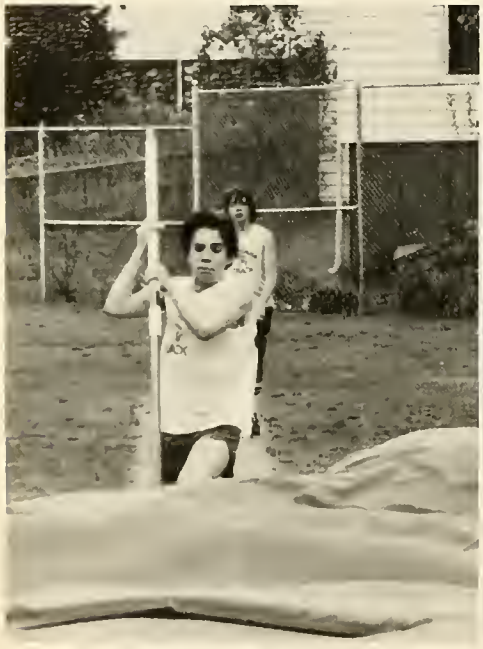
WINTER CARNIVAL . . .

The annual Winter Carnival, sponsored by the SHS Student Council, was run to the theme of "That's Entertainment". As in past years, the event was highly successful thanks to the endeavors of Advisor Mr. Jeff Theodoss, his officers and council members.
The Class of 1985 (Senior Class) swept the competition and took first place with their 390 points. They were followed by the Juniors, Sophomores and Freshmen in that order.

Bye Bye Birdie . . .

Teams In Rebuilding Season . . .

The Boys Track Team (above) coached by David DiGregorio and Assistant Mike Lee, and led by one of the few Seniors on the team, Alan Arns, didn't win a meet all season but gained important experience for the Freshmen and Sophomore-laden team.



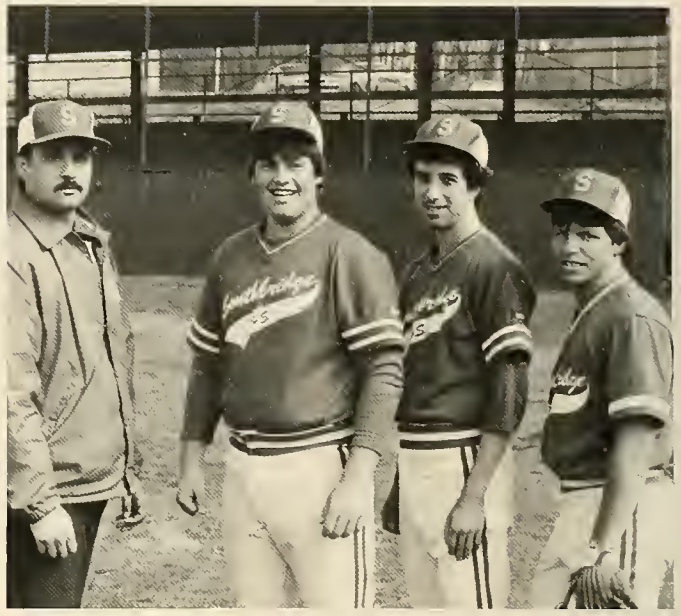
The Pioneer Golf Team, led by veteran coach Dennis Desroches, went for experience again this year as the team was loaded with inexperienced Freshmen and Sophomores. With no Seniors on the team, they were led by Junior Peter Frey.

Ayotte, Kantorski & LaBonte Are All-Stars . . .

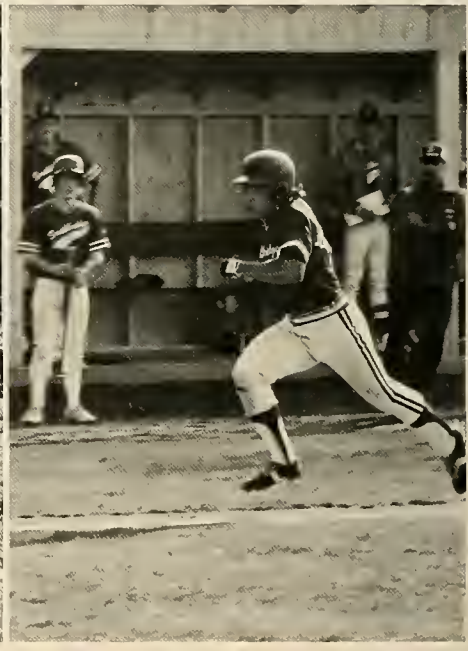
Under first-year Head Coach Tom Kruczek, the Girls Varsity Softball Team (above), surprised a few teams during the season. A predominantly young and inexperienced team lost a few games they probably won't next year. Three members of the squad were chosen to the Border Conference All-Star Team and all will return next season.

Because of the large turnout of girls, Southbridge fielded a Junior Varsity Softball Team (above) this year. They were coached by Jeannine Lambert (above right) and, though victories were scarce, they undoubtedly developed talent for next year's varsity squad.

A New Era Begins . . .

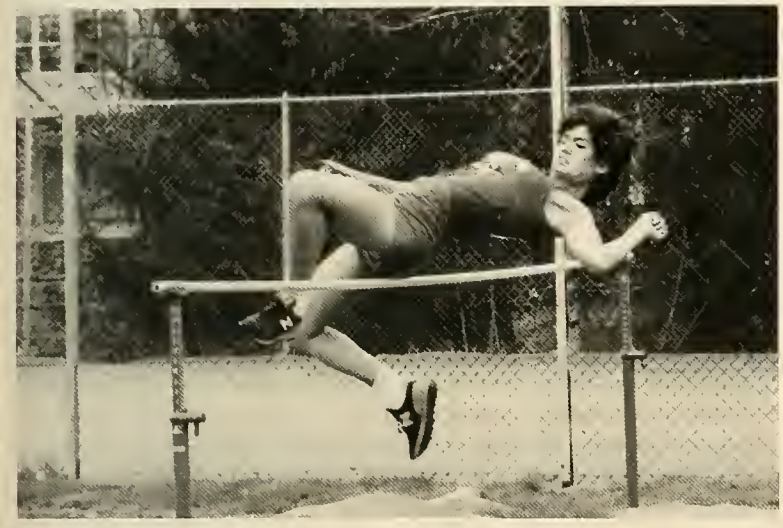


The Pioneer Baseball Squad (above), were led by first-year Head Coach Anthony Santilli Jr. and Tri-Captains Greg Hebert, Todd Costa and David LaBonte (left).



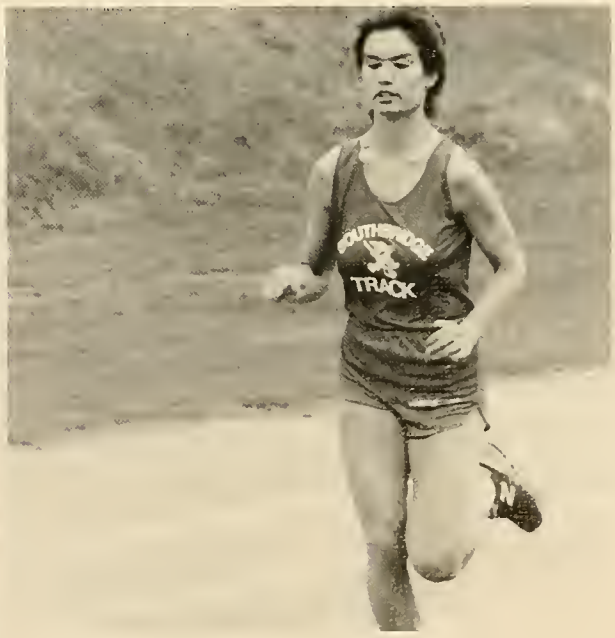
For the past twenty years or more, the fortunes of the Pioneer Baseball Teams were led by Anthony Santilli Sr. When he retired after last season, he was replaced by his son, Anthony Santilli Jr., and thus began a new era at SHS. Though this year's team suffered through a losing season, they more than held their own in most of the games and the experience gained by returning squad members should be a plus in the future.

Best Ever Leads To Championship . . .



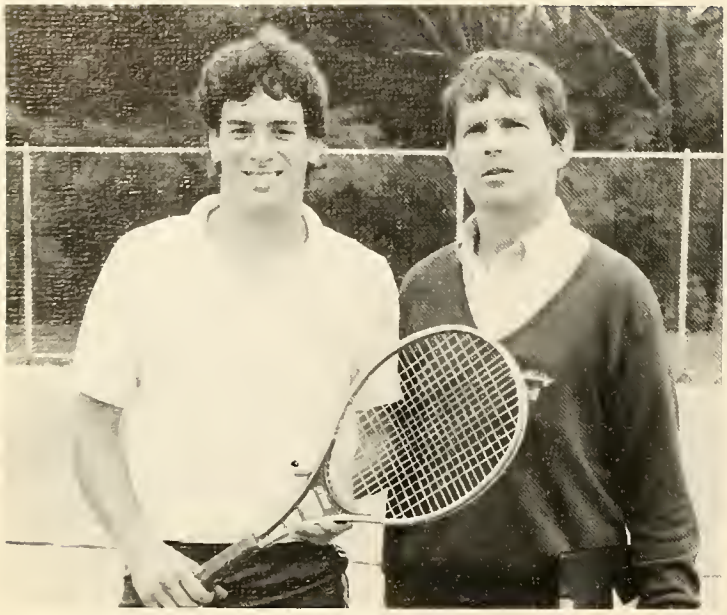
At 6-3-1, our Girls Track Team compiled the best won-loss record in the school's history. In the Border Conference, they were undefeated at 3-0-1 and finished in a tie for the Conference Championship.

Two members of the team, and both Juniors, Tina Young and Michelle Pytko were selected to the Border Conference All-Star Squad for their outstanding seasons. Tina probably compiled more points in a single track season than any Southbridge trackster before her as she continually swept three and sometimes four events in a majority of the meets.



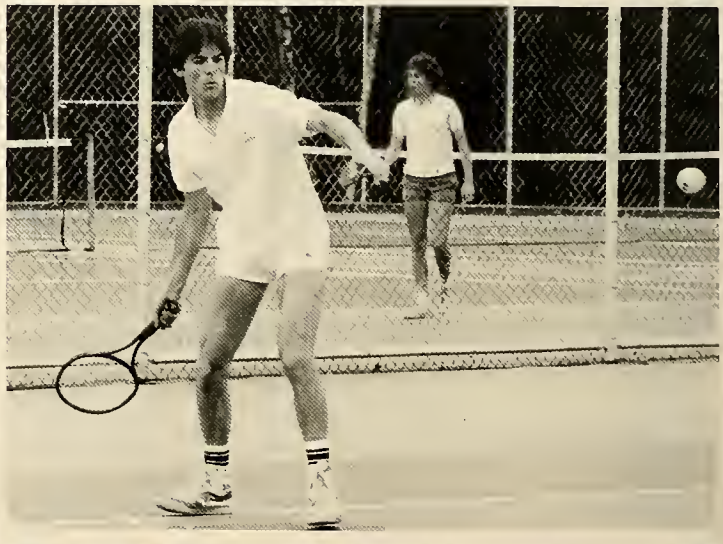
The Border Conference Co-Champion Southbridge High School Track Team (above) were led by Senior Co-Captains Cheryl LeBel and Michelle Caplette (1st Row Center) and Coach Jill Leach (2nd Row Right).

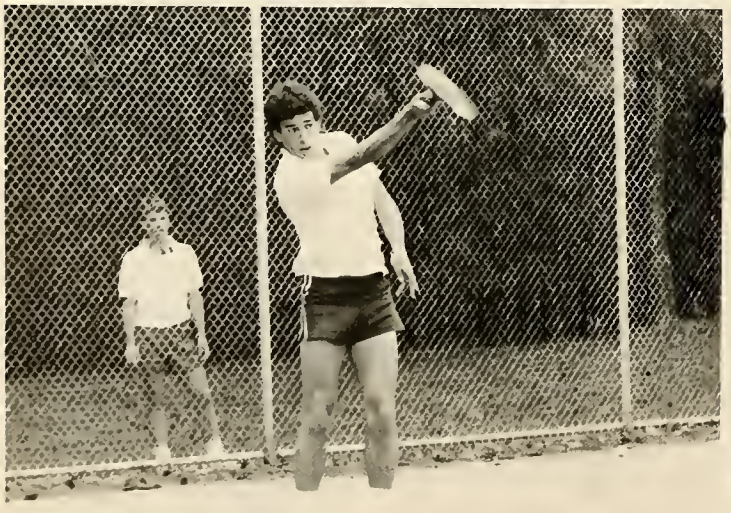
Boys Tennis Team In Districts . . .

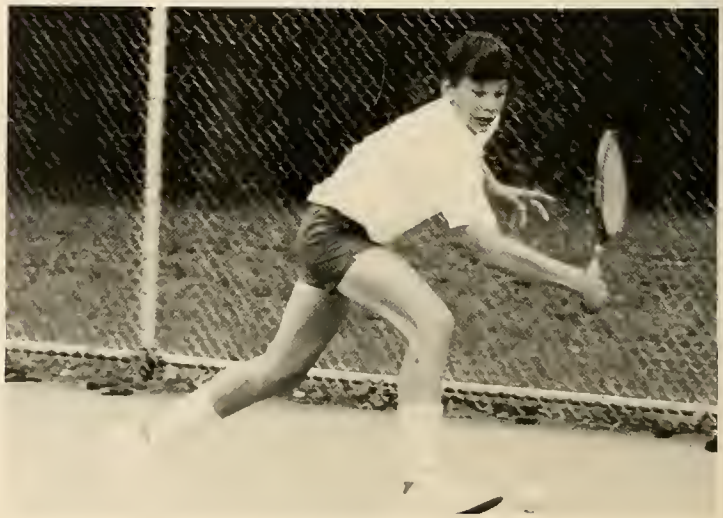


Our Boys Tennis Team (above) were led by Senior Captain Reed George (1st Row Center) and Coach James Kane (Back Left).

After suffering through mediocre seasons the last couple, our Boys Tennis Team came back with a vengeance this year. During the regular season, they would up with a spectacular 8 and 3 record playing against very tough competition. They also qualified for District competition and defeated Leicester High School 3 to 2 in their first round. Unfortunately success came to an end in the next round against defending state champion Algonquin Regional by the score of 0 to 5. The team's final season record, however, was outstanding at 9 and 4. For their efforts, Senior Shawn Cormier and Freshman Chris Gosk were selected to the Conference All-Star Team.

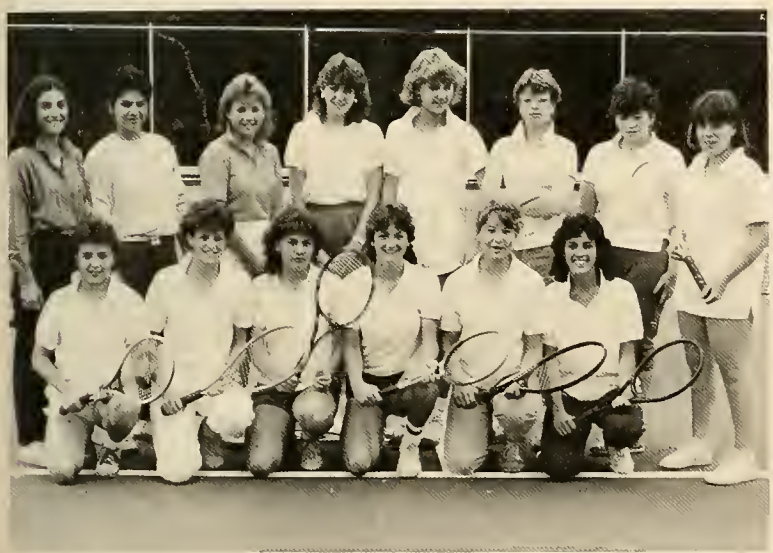


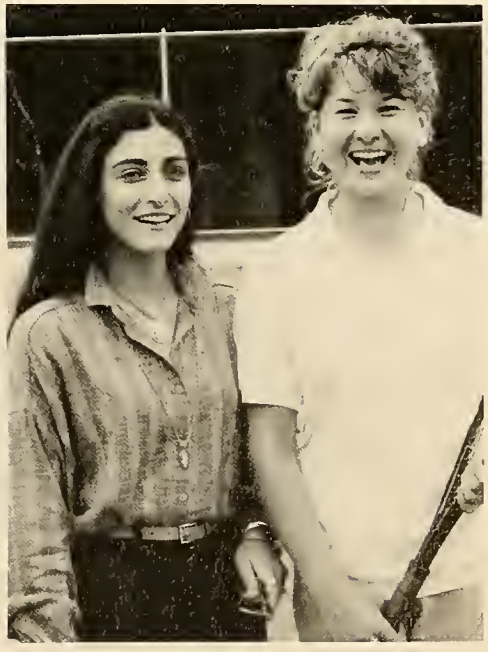




Best Ever Leads To Championship . . .

Last year's "rebuilding" season led to the best record ever compiled by a Southbridge Girls Tennis Team this year at 11 wins and but 2 losses. Their super record also gave the team a share of the Border Conference Championship. Junior Darlene Lamprey was perfect during the regular season posting a 13 and 0 record, while Seniors Kara Canney and Captain Jennifer Gosk were close behind with 11 and 2 records. Befitting their seasons, Darlene and Jennifer were picked on the Border Conference All-Star Team.





The Border Conference Co-Champion Southbridge High School Girls Tennis Team (above) were led by Captain Jennifer Gosk (Front — 2nd from Right) and their veteran Coach Carmen Loconto (Back Left).

From April 13 through 20, the Class of 1985 went to Florida on their Class Trip. They enjoyed four glorious days at Disney World and three at Daytona Beach (above). Everyone enjoyed the trip and it made selling all those M&M's worthwhile.

Class Day was held on May 24, 1985. The Seniors marched into the auditorium for the first time in their caps and gowns to the Processional. They were presented with business, music and sports awards while members of the Class of 1985 read its will, history and prophecy. It was also at this time that the class presented their advisor, Mrs. Jean McGann, with her roses, plaque and limousine service for her years of dedication. All in all, it was a most memorable day for the graduating Class of 1985.

On May 24, 1985, The Class of 1986 hosted the Annual Junior-Senior Prom. The ambience of Mechanics Hall in Worcester contributed to the Prom's immense success. The music was provided by Down East and, after the Grand March of Senior girls and their escorts, Michelle Caplette was chosen as Prom Queen. Jim Bachand was chosen reigning Prom King.

Class advisors, Ms. Carmen Loconto and Mr. George Lorkiewicz, as well as the Class of 1986, are to be congratulated for the truly outstanding evening.

L to R: Court members Michelle Jolin, Stephanie Chrisikos, Barbara Bacon, Queen Michelle Caplette, court members Jennifer Gosk and Margo Panico and their escorts.

The Junior-Senior Prom . . .

The Class of 1985 held its Senior Banquet at the Sheraton Inn in Sturbridge. On the night of June 7, 1985, our Senior Class got together one last time before graduating. Not present on Class Day due to military duty, Mr. Hoogasian was given his class advisor's gift.

The evening included a buffet, dancing and even a song from Kile Parent for all those present. It was a tremendous success and the perfect way for the Class of '85 to say goodbye to one another.

Senior Banquet . . .

To Southbridge High We Say . . .

On June 9, 1985, the Class of 1985 bid its last farewell to SHS at graduation exercises held at the Harry J. McMahon Field. Leading us across the field were Class President John Rapo and our Vice-President Michelle Jolin. Robert Chernisky led those assembled in our National Anthem while Class salutatorian Christie Cotton delivered a superb speech on growing up. The day proved to be unique as we were the first class whose graduation was broadcast live by local television, the first to graduate on newly-named McMahon Field and the last with Mr. Desroches as Principal.

Neil Gendreau delivered his valedictory address while Mrs. McGann awarded plaques and scholarships to our four class officers, the money having been raised from our favorite fund-raiser, the sale of M&M's.

State Representative Marilyn Travinski presented Mr. Desroches with a proclamation signed by the Governor for his many years of service to the educational community, only one small part of the many good wishes and regards bestowed on Mr. Desroches on his retirement.

One of the many highlights of the day had to be the final moment of graduation day exercises when the Seniors, in a radical departure from tradition and the past, all threw their caps into the air. Then came the hugging and congratulations as the Class of 1985, the "Class with class", bid their final farewell to each other and to Southbridge High School.

Thanks For The Memories . . .

Senior Cookout . .

On June 3, 1985, Mr. & Mrs. McGann hosted our Senior cookout at their home in Brimfield. It was a day and evening of volleyball, badminton and even some swimming. The cookout came to a close with a bonfire and sing-along down by the lake. Thanks to the McGanns, everyone had a great time.
